

**DERMATOPATHOLOGY**

Argényi ZB, Kárpáti S, Krausz Th, Tímár J  
April 29 –May 1 2010, Siófok, Hungary

**SCIENTIFIC PROGRAM**

**Thursday, 29<sup>th</sup> April**

**10:00-10:10**      **Opening address**  
Schaff Zs. President, Hungarian Division, IAP  
Tímár J. Chairman, Organizing Committee

**Dermatopathology: Melanocytic tumors**

**Chairmen:**      **Krausz Th.** University of Chicago, Chicago, IL  
**Tímár J.** Semmelweis University, Budapest

**10:10-13:00**      **Plenary Session 1**

10:10-10:40      Balázs M. University of Debrecen. *Genomics of malignant melanoma*

10:40-11:10      Mooi W. University of Amsterdam. *Growth arrest of melanocytic nevus and malignant transformation to melanoma*

11:10-11:40      Krausz Th. University of Chicago. *Pagetoid melanosis: when it is significant?*

11:40-12:00      Coffee break

12:00-12:30      Tímár J. Semmelweis University, Budapest. *Prognostic and predictive pathology of skin melanoma*

12:30-13:00      Battyáni Z. University of Pécs. *Malignant melanoma: clinical aspects*

**13:00-14:30**      **Lunch**

**14:30-18:00**      **Slide Seminar 1**

14:30-15:30      Krausz Th. University of Chicago

15:30-16:30      Mooi W. University of Amsterdam

16:30-17:00      Coffee break

17:00-18:00      Orosz Zs. University Hospital Galway

**18:00-19:00**      **Poster Presentations**

**20:00**              **Welcome Party**

**Friday, 30<sup>th</sup> April**

**Dermatopathology: Non-melanocytic tumors**

**Chairmen:**      **Argényi Zs.** University of Washington, Seattle  
**Iványi A.** Károlyi Hospital, Budapest

**08:30-12:30**      **Plenary Session 2**

08:30-09:15      Zelger B. Medical University of Innsbruck. *Molecular biology and impact on modern therapeutic approaches of cutaneous sarcomas*

09:15-10:00      Wikonkál N. Semmelweis University. *Molecular genetics of epithelial skin tumors*

10:00-10:30      Krenács L. Tumor Pathology and Molecular Diagnostic Laboratory. *Molecular*

**DERMATOPATHOLOGY**

Argényi ZB, Kárpáti S, Krausz Th, Tímár J

April 29 –May 1 2010, Siófok, Hungary

**SCIENTIFIC PROGRAM**

*genetics of skin lymphomas*

- 10:30-11:00 Coffee break
- 11:00-11:45 Gulia A. Massone C. Medical University of Graz. *Classification and diagnosis of primary cutaneous lymphomas*
- 11:45-12:30 Argényi Zs. University of Washington, Seattle. *The relevance of cytologic atypia in cutaneous neural tumors*  
*Recent findings - New developments – New problems*
- 12:30-14:00 Lunch**
- 14:00-17:00 Slide Seminar 2**
- 14:00-14:30 Zelger B. Medical University of Innsbruck
- 14:30-15:00 Massone C. Medical University of Graz
- 15:00-15:30 Csomor J. Semmelweis University, Budapest
- 15:30-16:00 Coffee break
- 16:00-16:30 Iványi A. Károlyi Hospital, Budapest
- 16:30-17:00 Sági Z. Semmelweis University, Budapest
- 17:00-17:30 Argényi Zs. University of Washington, Seattle. Quiz Cases
- 17:30-18:00 Poster Evaluation and Awards**
- 19:00 Congress Dinner**

**Saturday, 1st May**

**Dermatopathology: Non-tumoral lesions**

**Chairpersons** Kárpáti S. Semmelweis University, Budapest  
Hársing J. Semmelweis University, Budapest

- 08:30-10:30 Plenary Session 3**
- 08:30-09:15 Kárpáti S. Semmelweis University Budapest. *Blistering disorders*
- 09:15-10:00 Metze D. University of Munster. *Chronic inflammatory dermatosis*
- 10:00-10:30 Karai L. University of Texas, Dallas. *Autoimmun conditions (a perspective from dermatopathology)*
- 10:30-11:00 Coffee break
- 11:00-11:30 Hársing J. Semmelweis University, Budapest. *Case presentations*
- 11:30-12:00 Iványi A. Károlyi Hospital, Budapest. *Case presentations*
- 12:00 Closing**
