Textbook discount!

Dear Customer,

Budapest, April 2008

Our company – one of the most successful book importing company, being aware of the importance of the aim of this meeting – provides the participants of the Visegrád Breast Cancer Conference with an exceptional opportunity. Those who participate at the meeting can buy books from three of the outstanding speakers, **Tibor Tot, Werner Böcker and Catherine Chinyama** for a reduced price.

For orders arriving to us before 31 May we provide a 10% discount. Bank transfer costs are ours.

Detailed description of the books can be found on the following websites:
