Dear Sirs,

On behalf of the Organising Committee of EAHM 2020 to be held in Budapest, Hungary from 30 September to 2 October 2020, we have the pleasure of inviting you to participate at the meeting.

For the second time since 1991, EGVE is honoured to host the upcoming 29th Congress of the EAHM in Budapest. We had come a long way in this period and each country has made her journey on her own- but not alone! Working together – in as many senses as possible – is a main thought of our congress.

In the opening keynote lecture of the congress Ms Zsuzsa Jakab, WHO Deputy Chief Executive Officer will analyse past and present, outline future challenges that can only be solved together.

Main topics of the meeting will be:

- Dr. Who - The Future of Health Professional Education
- Ethics in the 21st Century
- Hospitals Go Green - The Path to Reduce Healthcare's Environmental Footprint
- Future Technologies
- Innovation in Financing and DRG
- Big Data and Informatics

The organizers look forward to welcoming everyone to the 29th EAHM Congress in Budapest to think together, exchange experiences and make new friends.

For the sponsoring and/or exhibiting companies we compiled this manual to provide with all relevant information for participation. We have attempted to cover all aspects, if some details still need to be clarified, K&M Congress will be at your disposal to discuss further options.
