

EScoP Soft Tissue Tumors Course

Budapest, September 15 – September 17, 2022

Department of Pathology and Experimental Cancer Research, Semmelweis University

Program

September 15, Thursday

08.20 – 08.30 Opening; **Prof. Janina Kulka and Prof. Zoltán Sári**

08.30 – 09.30 Introduction: the new WHO Soft tissue tumours fascicle **Prof. Raf Sciot**

09.30 – 09.40 Coffee break

09.40 – 10.40 *Myxoid tumors of soft tissue*; **Prof. Judith Bovée**

10.40 – 11.40 *Practical microscopy (slide session) of myxoid tumors*; **Prof. Judith Bovée**

11.40 – 12.00 *Discussion of practical microscopy myxoid tumors*; **Prof. Judith Bovée**

12.00 – 13.30 Lunch

13.30 – 14.40. *Adipocytic tumors*; **Prof. David Creytens**

14.40 – 15.50 *Practical microscopy of adipocytic tumors*; **Prof. David Creytens**

15.50 – 16.10 *Discussion of practical microscopy*; **Prof. David Creytens**

16.10 – 16.40 Coffee break

16.40 – 17.40 *GIST*; **Prof. Judith Bovée**

September 16, Friday

08.30 – 09.40 *Fibroblastic and myofibroblastic tumors*; **Prof. Raf Sciot**

09.40 – 09.50 Coffee break

09.50 – 10.40 *Practical microscopy of fibroblastic and myofibroblastic tumors*; **Prof. Raf Sciot**

10.40 – 11.00 *Discussion of practical microscopy*; **Prof. Raf Sciot**

11.00 – 11.10 Coffee break

11.10 – 12.20. *Pleomorphic tumors of soft tissue* **Prof. David Creytens**

12.20 – 13.30 Lunch

13.30 – 14.40 *Practical microscopy of pleomorphic tumors*; **Prof. David Creytens**

14.40 – 15.00 *Discussion of practical microscopy of pleomorphic tumors*; **Prof. David Creytens**

15.00 – 15.30 Coffee break

15.30 – 16.30 Differential diagnosis of vascular tumors; **Prof. Judith Bovee**

16.30 – 16.40 Coffee break

16.40 – 17.40 Differential diagnosis of round cell tumors **Prof. Raf Sciot**

EScoP Soft Tissue Tumors Course

Budapest, September 15 – September 17, 2022

Department of Pathology and Experimental Cancer Research, Semmelweis University

Program

September 17, Saturday

8.30 – 9.30 *Tumors of uncertain differentiation; Prof. Raf Sciôt*

9.30 – 10.00 *Practical microscopy of tumors of uncertain differentiation; Prof. Raf Sciôt*

10.00 – 10.10 Coffee break

10.10 – 11.10 Discussion of practical microscopy tumors of uncertain differentiation; ***Prof. Raf Sciôt***

11.10 – 11.40 Developments in molecular diagnostics and a molecular approach to the diagnosis of soft tissue tumors; ***Prof. Judith Bovée***

11.40 – 11.50 Coffee break

11.50 – 12.30 Mesenchymal tumors of the skin; ***Prof. David Creytens***

12.30 – 12.35 Closing remarks; ***Zoltán Sápi***

12.35 – 13.40 Lunch
